April 14-17 2010

Donate, Don't Dump

Save the Children

It is time to set to and spring clean your wardrobe to save lives with Save the Children.

In a city wide 'Donate, Don't Dump' campaign, we are seeking high quality clothing, handbags, shoes and accessories. By passing on your unwanted items you are offering other people the chance to pick up one of your treasures and at the same time helping to save children's lives in Haiti.

Please bring all clothing donations to the Octagon, at Milsom Place, off Milsom Street from 6th to 12th April 2010. We would like only your best cast offs!

Then watch your wardrobe donations on the catwalks! During each fashion show we will show you how creative you can be to style your wardrobe using recycled fashion.

Bath's biggest companies and schools will be getting behind the campaign by having their own 'Donate, Don't Dump' collection points.

Cash donations are also being accepted at Save the Children shops for the current Haiti appeal.

Thank you for your support.
