Bath Gin

Gin of a different persuasion

Bath Gin comes from the glorious county of Somerset and unsurprisingly, from the wonderful city of Bath.

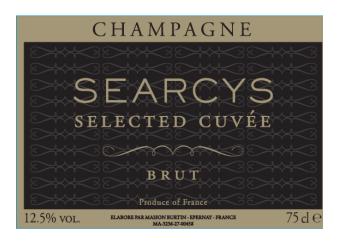

The Bath Gin Company was born from the folk at The Canary Gin Bar on Queen Street.

Their Gin is made using as selection of 10 botanicals – Cassia Bark, Lemon Peel, Burnt Orange Peel, Cubeb Berry, Liquorice, Cardoman, Angelica Root, Wormwood, Kaffir Lime Leaf aswell as the necessary Juniper Berry. Its made in small batches with each bottle being hand numbered.

Bath Gin is a Premium Dry Gin uniquely distilled with Wormwood and Kaffir lime leaves.

Relish this with tonic, poured over ice and served with a Kaffir lime leaf soaked in lemon juice.

Searcys has been leading the way in the operation of Champagne Bars since 1847 and showcasing some of the best Champagnes in the world. We are proud to announce the launch of our very own Cuvee, which has been carefully selected by the cellar master from the House of Maison Burtin in Epernay. Our unique blend is light and fruity with characteristics of high 47% of Pinot Meunier giving a fruity feel.

Brilliant golden straw colour with glints of amber. An expressive aroma of peach and plum, and hints of toast and honey precede lively ripe fruit flavours and a vibrant citrus finish on the palate.

Veuve Clicquot and The Goodwood Revival

The Goodwood Revival is the world's most popular historic car racing meeting, recreating the golden era of motor sport (1948-1966). It feels like you have stepped back in time as classic cars thunder round the track often driven by motoring stars of the past and present. Every aspect of the festival is themed around the glories of the past and the history of the Goodwood Motor Circuit. Veuve Cliquot is the official Champagne of the Goodwood Revival and it is a match made in heaven.

Veuve Clicquot

In a world where business was still the domain of men, the widow Madame Clicquot took control and contributed to the implementations of revolutionary new practices and also conceived the system of remuage. The yellow label is a must and is continued to be many people's favourite champagne.

Veuve Clicquot Yellow Label NV £13.50 £80.00

Laurent-Perrier

Founded in 1812, Laurent-Perrier is recognised throughout the world as one of the finest of Champagne houses. Laurent-Perrier has been avant-garde in creating unique and elegant Champagnes for nearly two hundred years.

Lanson

Few champagne houses can trace their origins back to before the French revolution. One of the oldest Champagne houses, Lanson was founded in 1760 by Francois Delamotte, a magistrate from Reims. To guarantee the freshness and optimal development of the wine's flavours, Lanson chooses not to use the malolatic fermentation, the key to the enduring perfection of the House style.

Bollinger

Champagne Bollinger was established in 1829 and remains independently owned and run. Madame Lilly Bollinger championed this independent house. Lilly expanded production through the purchase of vine yards, however she is better known for promoting the brand, "I drink it when I am happy and when I am sad. Some times I drink it when I'm alone; when I have company I consider it obligatory. I trifle with it when I am hungry and drink it when I am. Otherwise, I never touch it – unless I'm thirsty"

GH Mumm

Georges Hermann Mumm, a descendant of the founders, took over the company in 1853. It is considered one of the most easily recognisable houses, thanks to the vivid scarlet sash across its labels which is said to represent the ribbon of legional honneur, France's highest badge of honour. The house style is a balance of finesse and clarity and fruit. One of their most famous Champagnes, Mumm de Cramant, is made solely from chardonnay.
