Park & Ride makes it easy

Whatever you're planning to do in the city, using the Park & Ride means a **stress-free** visit and no worries about driving, congestion or high parking charges. With a journey time of just **10 minutes** to the centre of Bath, it's quick, easy and greener too!

Go Green With Us

The **eco-friendly** hybrid diesel/electric buses offer a luxurious travel experience with **individual leather seats, free on-board Wi-Fi, next-stop displays** and **climate control on the upper deck**. These high-tech vehicles also help to protect the environment and preserve Bath's ancient buildings – the engine uses braking power from its journey into Bath to ensure that it's highly fuel-efficient, which means **far lower emissions!** The engines are also quieter, for a smooth, comfortable ride.

These low-floor, fully accessible vehicles offer easy access for wheelchair users and plenty of room for buggies.

Using the Park & Ride

The exits to all three Park & Ride sites remain unlocked 24 hours a day, 7 days a week.

Vehicles are parked entirely at the owner's risk. We do not recommend that you leave your vehicle overnight at any of the sites, because they are not patrolled at night.

There are height-restricting barriers at the Newbridge (6' 6") and Odd Down (7' 2") sites.
